Cheaper to Fly

All members of a family, including children up to 26 years of age, this winter will be able to fly via Japan Air Lines across the Pacific at half fare when accompanying the head of the family traveling at full fare, according to Yoshito Kojima, JAL vice president in charge of the American region.

Effective December 1, 1958, subject to government approvals, the Family Plan will operate every day of the week through March 1, 1959. In succeeding years the plan will go into effect each November 1 and remain effective until the following March 1. For passengers originating in the U.S., however, the reduced-fare return trip from the Orient may be made as late as March 31, stated Mr. Kojima.

The new Family Plan for North and Central Pacific air travel applies to round trips between U.S. West Coast cities or Honolulu and Tokyo, Hong Kong, Manila, Taipei, Okinawa and Seoul. The plan was agreed upon by International Air Transport Association carriers at the recent IATA Traffic Conference held in Cannes.

The 50 per cent reduction applies to both deluxe first class fares and tourist class fares (the only two classes in effect among IATA carriers in the Pacific). If the head of the family travels first class, the members of his family may travel tourist and benefit from the 50 per cent reduction of the tourist fare.

Children between the ages of 2 and 12, who normally travel at half fare, under the Family Plan travel at 25 per cent of full fare; those under 2 years, who normally travel at 10 per cent, under the plan travel at only 5 per cent of the adult fare. The 50 per cent reduction applies to any and all normal fares.

Japan Air Lines operates daily flights between San Francisco and Tokyo via Honolulu. From Tokyo JAL serves Hong Kong with five flights weekly and Okinawa with four per week.

Farewell Party Planned for Departing Buddhist Minister by Local and National Executives

The Isseibu division of the JCCA will have $500 in its account as the allotment budget for this year. So decided the committee of the Toronto JCCA at a meeting held last Wednesday at the Spadina Avenue office.

The Isseibu request for a raise of $500 from the previously accepted $300 was unanimously honored by the executives when T. Umezuki commented that the Issei division hadn't presented programs, as in past years, which might have brought into its account, a sum to carry through for the year.

Co-chairman Reginald Mori's decision to attend the Hamilton JCCA inauguration banquet on the evening of November 21st as representative of the Toronto chapter was also accepted.

Several projects, still in the planning stage, were discussed:

The Toronto JCCA sponsored New Year dance is to be held on January 2nd at UNF Hall; Matters pertaining to National JCCA's preliminary round-table talks with the Quebec chapter to which the local has agreed to send two of its members as representatives.

Also discussed was a "farewell party" for Rev. Takashi Tsuji, Buddhist minister for the Toronto congregation, who will be leaving shortly to take another post in the United States.

Rev. Tsuji is held in high esteem by many for his overwhelming measure of dedication to Japanese Canadians of all beliefs for nearly two decades. With this thought in mind, the local chapter and National executive felt that an expression of gratitude in the form of a banquet was quite in order before his departure.

Further details on all questions will be announced at a later date.

Nation Wide Boycott

TOKYO.—Violent agitation by organized labor in Japan is building up to a Communist-led national revolutionary movement, Justice Minister Kiichi Aichi declared in a report to the cabinet on social disturbances.

The report bore special significance in the light of the national political crisis surrounding the government's proposal to give police greater powers.

The report, based on an analysis made by the Criminal Affairs Bureau of the justice ministry, said a fourth postwar revolutionary movement was in prospect unless steps were taken to curb violence by unions.

The controversial police bill would give authorities power to act against demonstrators in ways that are now lacking.

The report said the Japanese Communist party has greatly strengthened its tactical position and is working hard to organize trade unions, farmers and citizens in general in urban areas.

The general council of Japan trade unions, or Sohyo, an organization heavily infiltrated by Communists and supporting the Socialist Party, "is leading Japanese trade unions into the path of mass violence accentuated by class struggle," the report said.

Vancouver JCCA Assists Japanese Flood Victims

VANCOUVER.—Still in painful conditions today from the typhoon which hit Japan, the loss by Japanese victims prompted many JCs across Canada and also the Vancouver JCCA to extend aid. During a recent VJCCA meeting at the Japanese Hall there, the formation of a special "Relief Committee" was passed and accepted, to receive donations of finance and clothing to ease hardship of the dolorous during the winter months. With very little time left, the committee felt that a deadline must be set to ensure prompt action. The 20th of this month has been decided upon. Donations will be accepted by Mr. T. Arakawa, treasurer, 4038 West 20th; Mr. K. Kazuta, at Nikka Overseas Agencies, 217 Dunlevy, and the Japanese Language School.

The proceeds of $100 from a Japanese movie presented by the Isseibu division of the JCCA to raise funds, also for the aforementioned purpose, has been forwarded through the Japanese Consulate there.

Other programs were executed by the organization:

An Armistice Day Memorial service was held at the Japanese Cenotaph in Stanley Park for Japanese Canadians who gave their lives in the two world wars. Rev. Kikuta of the Vancouver Buddhist Church officiated at the memorial for the JCs in attendance.

The 700 books donated to the JCCA by the Japanese government, is today, in the JCCA Japanese Language School library. The donation was installed upon approval of the various local bodies in B.C.

Plans Judo Tourney

PORT DOVER, Ont.—The Port Dover and Game Protective Association has announced it intends sponsoring a judo tournament on Saturday, November 22, at 6 p.m. in the school auditorium. All proceeds of a silver collection will be forwarded to the Community Chest Drive.

Mr. K. Kobayashi, president of the association, drafted a letter to Mr. S. Kamino of the Toronto Kidokan, requesting a number of judoists to participate in this venture. Mr. Kamino, in turn, honored Mr. Kobayashi's request by acquiring the services of ten judoists from Toronto who will demonstrate there. The Niagara Falls dojo has also agreed to send ten of its members to represent the club.

Vancouver to be First on Abbot's Tour

Abbot Kosho Ohtani of the Nishi Hongwanji Temple in Kyoto, Japan, and Lady Yoshiko Ohtani will arrive at Seattle-Tacoma Airport, Sunday, November 16, via Northwest Orient Airlines from Japan, to begin an extensive tour of North and South America.

The Abbot, head of the Nishi Hongwanji sect of the Buddhist Church, largest in Japan, will visit Buddhist congregations across Canada, and in the U.S., Brazil, Peru and Mexico, said Toshio Kani, manager of Northwest Airlines in Osaka, Japan.

The Abbot's official visit will begin in Vancouver on November 18, as he begins his tour across Canada. He and his party will arrive in Toronto on the 28th and depart for Montreal on the 29th.

Visits to congregations in the Pacific Northwest of the United States will be made next February just before he returns to Japan via Hawaii, where he will also visit Buddhist congregations.

Is Nice

VANCOUVER.—The first boatload of Japanese mikans is due to arrive there on Nov. 27, it was announced. The Japanese oranges are famous the world-over for their rich flavor, sweetness and easy peeling. They will cost the consumer about $1.43 a box.

Japanese Star Wants People to Remember

HOLLYWOOD.—Nobu McCarthy is about as international as you can get without joining the United Nations, and the fact that she prefers a dress to a kimono is typical of this Canadian-born Japanese actress-wife of a former American GI.

Nobu McCarthy's life might make a movie some day too. She was born 23 years ago in Ottawa, the daughter of Masaji and Yuki Atsumi. Her father was then a diplomatic secretary. The family went to Tokyo while she was still a baby.

"My career really began there, where I was raised," she said. "I guess it was when I was all of six years old. I got a job singing on a radio station but it was brief because of the war. Along with other children I was sent to southern Japan."

She won a movie role contest when she was sixteen, but her father—who urged her to enter the contest in the first place—decided the part was too sexy and yanked her out of the picture. She became a model and soon was Japan's best known mannequin.

"That's when I met David McCarthy," she said. "He was a private in the U.S. Army. Some people were a little startled when we were married and announced that we were going to the United States.

"I was called unpatriotic. I was accused of ruining the Japanese clothing industry. And when I told my parents I was going to marry David, they were speechless. In fact, the first thing they did was to lock me in my room. I guess they thought I would marry a Japanese boy."

Mrs. McCarthy arrived in Los Angeles in 1956 and went to work as a model for a Japanese designer. An agent noticed her and nearly got her the lead in "Sayonara," but her English wasn't good enough yet. She did win three lesser parts and then the one in "The Geisha Boy."

"It's a wonderful role, and I'm very happy about it," she said. "The only thing we disagreed on was my name. Someone wanted to change it to an all-Japanese name but I disagreed. After all, it's important to be remembered, and it's hard to forget a Japanese girl with a name like McCarthy."

"Besides, it's my name and I'm proud of it."

Not Fishy

TOKYO.—Japan has voluntarily agreed to refrain from fishing in Canadian and U.S. waters of the Pacific for another year beginning next January, informed sources said. Japan gave her assurance at the Japan-U.S.-Canada fishery talks being held there.

Hint Next Empress Commoner

TOKYO.—The time is near when the future empress of Japan will be chosen.

She will become the hand-picked bride of crown prince Akihito who will reach his 25th birthday on Dec. 23. The age 25 is the final year of the "marrying season" under Japanese tradition.

The announcement of the match had been expected in mid-November by many imperial palace experts, but word has now been passed that it may be delayed until the Diet closes some 30 days from now unless there is another extension.

A private battle of some proportions behind the scenes seems clear according to best advices. The issue: whether the prince will be allowed to pick a girl of his own choice or whether it will be the traditional marriage match made by elders.

The girl said to be prince Akihito's choice is 24-year-old Michiko Shoda, daughter of a flour miller, who recently returned from a visit to the U.S. Sources say they met last summer on a tennis court of a nearby mountain resort.

Some court circles believe that all of this may be premature, especially in view of the 30-day extension of the Diet which was proclaimed only a few days ago.

These sources say the imperial household fight is still going on. Several influential members of the household selection board (actually more of an elimination board), are said to be holding out for a "commoner" because, they say, there is no strength left in the royal line. (Nobility was wiped out by the occupation, but the tradition lingers).

The powerful Matsudaira family which has furnished almost a third of the empresses of Japan is said to be strongly opposed. Princess Chichibu, one of the most vivacious of the royal family and known heretofore as one of the most liberal of its members, is a Matsudaira.

In addition to the 24-year-old miller's daughter—who has become the hottest tip—three other girls have been mentioned prominently. They are:

Miss Sumiko Shimizu, 20-year-old daughter of a former Duke; Miss Ayako Fushimi, 24-year-old daughter of former Prince Fushimi, and Miss Hatsuko Kitashirakawa, 18, daughter of former Prince Kitashirakawa and great grand-daughter of Emperor Meiji.

If the match is to be kept within the royal confines, Princess Hatsuko is seen as the likely choice. She's pretty; she's the right age; she likes to ride and play tennis, and she has known the prince since childhood.

The 24-year-old commoner has all of these attributes, plus a couple more; she has good diplomatic connections and, as a person who is acquainted with her said, "she's smarter'n hell."

Whoever the choice, the prince won't make it alone, but he'll have more to say about it than any other Japanese emperor's son in history.

Fishing Lines...

Fishing News

Good catches of white fish were taken last week at the Beaverton docks and Gamebridge canal.

Rainbow fishing is a bit slow perhaps due to the extremely low and clear water. The cold water seems to make the fish not too active, and tend to lie in slower water. This is the time of year when bait fishing with salmon eggs, worms and still fishing seems to pay off. Perhaps it's because the bait used can be fished slow.

Pike are being caught at Frenchman's Bay.

Haven't heard of any good catches of lake trout yet; should be any time now.

Fall White Fish Fishing

The white fish is a cold water fish which stays deep in the summer and comes nearer to shore when the water gets cooler. Its tender mouth is quite small and a little under slung which makes it primarily a bottom-feeder. Generally, fall fishing is done from a boat or shore using small shiner minnows for bait. Boat fishing is mostly done by hand using a speader (a weighted rig with snelled hooks attached to each of its three arms). A rod may be used, but, by holding the line in the fingers the delicate bite of the fish can more readily be felt. Because of its small very tender mouth care must be taken not to jerk the line when landing the fish. Some people attach a rubber elastic section on the line to ensure against sudden jerks.

Shore fishing for white fish is also done from a pier or a canal to get closer to deep water. The standard practice is to have a sinker on the end of the line with two or three hooks (size 4 to 6), on leaders, spaced far enough apart to avoid tangling. The hardest part of white fishing is to be able to detect the bite, especially on a windy day.

Shiner minnows seem to be the principal food the fish prefers. Recommended size is from 1 inch to 1½ inches long. One important item in your gear should be a little fine-messed dip net to scoop the minnow from the minnow pail. This net will save your hands from chilling and also keep the bait happy by keeping the water in the pail from getting warm.

White fish generally travel in schools so it's usually feast or famine. If you hit a school, your car gets pleasantly loaded down; if you miss, look forward to a drink and a hot bath when you get home.

Flyers Lose Third Meet

Nisei Flyers, wobbling after their initial opening day victory in the East Toronto Hockey League, lost their third straight game last Sunday to Lyndhurst Motors, 5-2.

The sponsor-less Flyers are having their troubles off the ice, and manager Jackie Tanaka states that the team may lose some more players if they cannot come up with a sponsor. They are now down to 14 players.

The Nisei opened the scoring when Lou Luchetta scored in a play with Ken Edamura and Roy Tanaka. The lead, however, withered in the second period when Lyndhurst scored five unanswered goals. Nash and Scarsello each counted two, and Calhoun got one in the splurge. Flyers' Dave Sunohara scored the final goal of the period. The third period was scoreless.

コミュニテー・プログラム課ではこの講座を受持つ敎師の顧問的役割を果し 必要なる敎科書などを無料で提供しておりますので 授業料はしたがって極めて安いわけであります。

當省では毎年試驗を行い 基本的英語と市民權の試驗に合格した者には文部大臣署名入りの証書を授與しております。この證書は市民權を申請するに當って有益となり コートにおいて本人の英語知識の證明となる有力な證據物であります。今日までこの証書は一万三千枚發給されました。

基本的英語と市民權講座は三年間にわたるもので クラスは十月に始まり四月までつづき 一週二晩 二時間宛勉强いたします。多くの學生はこのコースを三年以内に完了しております。

夜學は州内二百以上の市町で行われています。一九五七 ― 八年度には二万六千名が千五百クラスに入學しました。夜學についての詳細を知りたい者は各地方の學務委員會又は直接文部省 コミューニテー・プログラム課に照會して下さい。

美貌の檻（六九）

大林清

『そう、まア何とかなるでしょう。ともかく明日の午前中日活國際ホテルへロスタンさんを訪ねて下さい。むこうから來ているモデルの人が、速成で敎えてくれるそうです』

『わかりました。うかがいます』

『しっかりおやんなさいよ うまくいけば、アメリカをまわってパリまで、一行に參加することになるかもしれませんからね』

江藤は好意にあふれた態度で激勵するのだった。

じゅん子はまさかと思った。持前の大膽さと押しの强さで、昨日までの紡績女工がファッション・モデルを志しこそしたが、せめて森山良子や貝塚貞子ぐらいになれればと思っている程度である。本場の外國へ行くなどの奇蹟は信じられなかった。

…て外へ出ると、自分で平然とかまえていたつもりが、やはり相當緊張したらしくじゅん子は軽いめまいを感じた。

研究所の門を出た途端、塀ぎわに停車していた自動車が、ふいにクラクションを鳴らした。

じゅん子はわれにかえって、その緑色のダッジを見た。

運轉臺から顔をのぞかせているのは、珍らしく自分で運轉して來たらしい三木だった。

假面の下

…が、東海道を藤澤から江の島へわたり、鎌倉を通って東京へもどったのは、もう夜になっていた。

三木はその車でアパートへ送って來た。

『一と休みさせてもらおうかな』

そう云って部屋へあがりこむ三木を、じゅん子はこばむわけにもいかなかった

このアパートへ移ってから三木は二三度訪ねて來ているが、紳士を氣取っているのか、いつも車を外へ待たせておいて歸る程度だった

『一日中閉め切ってあるか…

…じゅん子はそう云いながら、何よりも先に窓をあけはなした。

日本の民主化について

國會の情勢についてはだれもかれも非難せぬ者はないくらいに、民主々義的ルールにはずれたことを現出している。

そこで、一体日本には民主々義などは不適當で行えないのではないか。長い間封建制度の下において、ご無理ごもつともで暮してきて、明治になつた。憲法が與えられ代議政治になつたとはいえ、それは表面だけのことで、眞に民主々義の習練はなかつた。思考方法もドイツ哲學の流行によつて抽象的で、絶對主義的であつた。反對黨の存在を認め、その言うところを傾聽するというアングロサクソン的な考え方は根を下ろさなかつた。敗戦後、民主々義を唱えたが、アルコールを飲ませたようなもので、さめたら元の通りの生地に戻つた。到底、民主々義を運用するには適しないから、この國民性に合うような政治制度を編み出して實践するほかはない。いわば獨裁政治がこの國に似合つている。

以上のように結論するものがある。性急な論者ではあるが、決して少い數とい言い切れないのである。ところが、これに反し、民主々義は人から與えられてうまくいくものではない。非常な苦労を積み重ねて闘い取り、その上に運用の練習を経て出來上つたものだ。英國の政治史の一ページでも讀んで見なさい。どのくらい英國民が苦しんだ末に民主々義に到達したかがよく判る。日本に民主々義がうまく行われないといつて怒つたり、非難したりするのは、少し氣が早い。もつともつと長い目で民主々義の成長を見守つてやらねば可愛想だ。こういう氣長の考え方をするものが一方にある。

ところが、それが本筋の考え方のように思うが、そんな氣長にノンビリしたことを言つていると、二十世紀はテンポが早いから、いきなり成長過程の民主々義日本は崩されてしまうと憂慮する心配屋もある。

一体、日本はどういう道をとつたらよいか、眼前の状態はこの選擇を求める。

言葉の豆辞典　おまえ

▲『おまえ』、漢字では『御前』と書きます。このことばは、もともと神様や佛の御という意味で『おんまえ』『おおまえ』『みまえ』が訛つたものだといわれています。今では『おまえ』といえば、あまり上品でないことばとされていて、目上の人や年長者に對して『おまえ』などといったら『ブレイ者!』と叱られてしまいます。

▲ところが『おまえ』ということばは下品どころか、平安朝時代（八一三年－一一八六年）には、身分の高い人に對する敬稱としてもちいられ、またその座前の意味にも使われていました

情けない國會

天聲人語

日本國會の變則狀態は依然として改善されないでいるが、この事態に立入つたのは、もともと自民黨の奇襲戰法による國會延長にある。これについて『天聲人語』は文中に次の如く述べて政府のやり方を強く非難している

△——岸首相は『便所に行く』といつて委員會から姿をくらましたという。星島衆院議長は、議長職權による本會議開會を言發して御本人は院外に逃げてしまつた。椎熊副議長は議場で人がきの底にしやがみこんで隱れていた。どれもこれも[illegible]からぬ淺ましい姿だ。少國民に道德を説く資格もない。

△——陽動作戰で野黨をたぶらかし、豫鈴も鳴らさず容巢ねらい的に本會議を開き、議長席にも就かず、ヤミ・マーケットのセリ市みたいな格好で『會期延長』を勝手に宣してしまつた。

[illegible]た言葉を各新聞から拾つてみると、スリ、カッパライ、サギ、キンチャク切り、ペテン、ダマシ討ちなどと最下等の形容詞がズラリと並んでいる。

△——これが國權の最高機關たる國會に對する批評かと、情なくて淚が出るくらいだ。天下の信を失うことこれより大なるはない。

十二月から全國鐵道スト

十三万五千の非運轉勞組員に決行を指令

【モントリオール發】オタワ勞働調停局の進言によつて、カナダ全國の鐵道非運轉勞働者は時給十四仙の增賃をうけることになつているが鐵道會社側では十四仙增賃すればとても運轉してゆけぬと強硬な態度をとつてこれを承認しないので、遂に鐵道勞組は十三万三千のメンバーに對し、來る十二月一日より全國一齊にストライキに突入するよう今週指令した。會社側では政府に對してスト回避の唯一の途は鐵道貨物運賃料金を十九パーセント引上げることしかないとフレート・レートの引上げを要求しているので、運輸委員會では會社側のこの要求について今週中になんらかの結論に達したい意向であるが、要求通り十九パーセントの引上げを認めるとは思われず、それ以下で妥協を計るものとみられているが、果して會社側がこれに應じるかは甚だ疑問視されており、鐵道勞組の增賃要求は全く讓步の色がみられないので、全國的鐵道ストの危機はますます濃厚となりつつある。

炭鑛閉鎖で

ス町は幽靈町に

【スプリングヒル發】當市唯一の主要產業であるドミニオン・コール會社は、このほど七十四名の死者を出した慘事にかんがみ、石炭鑛山は閉止することになつたと今週發表した。この炭鑛が止まると七千人を有するスプリングヒル町はゴースト・タウンと化すことは明らかで、ある鑛夫たちは、ほかに職もなくどうして生活を立ててゆけるかとフシガイしている。同町々長も『こうなればオタワと州政府に全町の身のふり方をきめて貰うほかない』と暗い表情である。全町あげて引揚げる話もあるが、さてどこに行けばよいのかと町民はさびれ行く町の運命を氣づかつている。

中身抜き代りに石コロ

羅府揚げ日本ミシン十箱に

【ロサンゼルス發】日本から輸入したミシンのケース十箱に石コロがつめてあつたことが發見され問題となつている。神戸で積出された大阪製のミシンがこのほどロサンゼルス港に荷揚げされ、輸入者が受取つて小賣店に配給したところ、このうち十箱の中身からソフトボール大の石コロがたんねんにつめ込まれてあるのを發見、調べたあげく神戸積込み前に倉庫に一ヵ月以上もねむつていた間に事情にくわしい者が中身を抜き、そのかわりに石を入れたものというので、メーカー自身の責任ではないとのことであるが、國際貿易上かかる事件は由々しい問題なので總領事館では目下嚴重調査を進めている。

中共も參加させて頂上會議を開け

スミス外相談

【シアトル發】コロンボ會議に出席中のスミス・カナダ外相は『あらゆる手段を講じて戰爭回避を行わなければ、もし世界戰爭となつた場合、現在の各國政府は次代の者たちから非難されるであろう』と記者會見で語り、

この故に、カナダはたとい中共の毛澤東の出席もふくむ世界列強國會議に贊成するものである。しかし、かかる頂上會議召集の見通しは明るいものとは思われない

と述べた。スミス外相はカナダは二回の戰爭で媚態外交に贊成しないことをハッキリ聲明してきたが、巨頭會議を催すことによつて決して事態が惡化するとは考えず、話合いによる物事の解決にはいつもカナダは支持してきたと語り、米國の對中共政策について非難した。

社會事業會議に

三十名が訪日

【オタワ發】東京で十一月二十日から十二月六日まで開催の國際社會事業會議にカナダ・ウエルフェア理事會理事リチャード・デイビス博士とオタワ厚生省次官ジョージ・デビッドソン博士およびオタワ前市長フイトン女史ら三十名が參加する

佛壇や自轉車 買う日系人

訪日おみやげに

【横濱發】ちかごろ世界各國から日本觀光客をのせた豪華船が次々と來着、秋の日本を樂しむものがふえているが、來訪客は觀光よりも買物に來たという感じが强く、安い日本品に大きい魅力があるようだ。觀光船が入港するたびに横濱港の大棧橋に假設のみやげ店は一週間に七十七万圓程度の賣上げ。派手なのは米國人で高級カメラ、眞珠、シルク品が斷然多い買物、北米や南米からの日系客には年寄り夫婦だけでなく、二、三世もかなりいるが、佛壇や自轉車などを買つて歸る組が多いということだ。

皇太子妃内定

【東京發】皇太子妃に正田美智子孃がきまつたと外電は報じた（既報）が、話題となつている美智子孃はテニス・コートではじめて皇太子さまに紹介され、それ以後、皇太子さまの意中の人となつたという。宮内廳では美智子さんが美人で明朗スポーツ好きだという點はいいとしても一般の出身さいうところに反對があるもよう。しかし彼女の母方は九州の元大名華族に關係があり、朝海駐米大使の遠縁に當るので、この面では希望が持たれているという。皇太子さまは來る十二月二十三日で滿二十五才になられるので、皇太子妃選定の發表は今月中か十二月初旬とみられている。

有色人制約にピアソン氏語る

△カナダ各州の自由黨地盤固めのため遊説中のピアソン反對黨主は十二日トロントで七十餘名のエスニックグループ代表をランチョンに招き、國際事態や現保守政府の政策等について鋭い批判を加えた演説を行うと共に、外國語新聞編集者らからの質問に應答した。

△國際情勢については、金門、馬祖兩島をめぐる緊迫事態に關し、米國の間違つた政策を指摘、中共本土より三マイル沖合の小島を自由國群の防衛の最前線とすることは大きい誤りであると非難、對中共貿易については、カナダが利益となる通商であれば、共產國とも交易すべきであると主張。現政府の失業對策は手溫いこと、そして今冬、失業は昨年冬より惡化することになろうと語つた。

△有色人種のカナダ移民制限の質問にピアソン氏は

カナダにセコンド・シチズンは許されるべきでない。いわゆる東洋人系移民制約法によつて、東洋國ならびに有色人國からの移民はほとんど禁止的であつたのが幾分緩和されたとはいえ、英歐洲系人の如く、比較的容易に入國が今なお出來ないでいる。これに善處する途は一定數の入國を許すこいう、いわゆる割當移民によつて、これらの國々からの移民を認めるべきであるが、しかし無統制でワイド・オープンの有色人移民を支持することは賢明でないと考える

と率直に答えた。この會合には市協代表として梅月氏日系新聞代表として本紙の森氏が出席した。

Everyone who has not been to our regular lessons is urged to take advantage of this fine opportunity to learn the various dance steps. Let's not be one of the "stag line" or a "wall flower," come down and join in the lessons with us. You are always welcome at Club Rec Socratic.

YOUTH IS LIFE

By CANDIDA

"Nothing great is ever achieved without enthusiasm," a friend wrote me recently. And he added, "at least we are enthusiastic".

Yes, this is true for if one does not display enthusiasm when young, when will it be forthcoming. When one's senses are keen and one's energy bounds like "a roe—wherever nature led" (as William Woodsworth has described it), one can appreciate what life is and what it has to offer for the taking.

It is a beautiful sight to watch a young delible soul mature into the joyous and sincerely enthusiastic youth willing to take chances, to do "crazy things" and thus to learn what life is and its many fascinating counterparts. It is true when it has been said that if the sagacity and experience of the older person were combined with the enthusiasm and zest of the youth, what a superphenomenal structure and being would result.

But certainly, youth does not wish experience and wisdom thrust into his nature; no, he wants to learn by living day by day, making his momentous and minute decisions, tasting the flavor of the blue mountain, the wide, salty spray, the cool clean air.

This vast world is so full of things: ponderous tomes of knowledge, splendid scenery, happy and vivid associations—all these ingredients to experiment with and then choose discriminately and pattern into what is true life.

One must choose with discrimination, gleaning what is best suited to the individual taste from the living past and present. A careful harmony between the beautiful and the ugly, the good and the bad, the happy and the unhappy, these will mix into a potion enough to render any breathing soul the awareness of life, and what it brings forth from the dim pages of the past and what hopes it holds in its airy hands.

After such a mixture is made, one must attack it with fervent zeal, with an aim to accomplish and taste every single drop. For life cannot be wasted upon individuals dawdling by the wayside hesitant to take the next step, contemplating return to the cul-de-sac where all is dark and secure and never-changing.

Yes, enthusiasm can make the darkest night seem lit with a thousand brilliances. Enthusiasm and a love in one's heart give a wonderful awareness to life.

Sex--Answer to Beat Generation

TOKYO.—At 25, Shintaro Ishihara has become Japan's best selling novelist by blending hefty chunks of Mickey Spillane and sizzling stew of sex and cynicism.

Derided by critics as vulgar and immature, Ishihara's novels, rife with sex, violence and a constant tilting at the values of older people, have found a hungry audience among Japan's postwar youngsters.

In addition to topping the best seller lists, they have been made into successful movies and propelled Ishihara's brother, Yujiro, to movie stardom.

King of Beats

Ishihara himself has become the idol of Japanese teenagers, who eagerly imitate his clothes, hair style and vinegary outlook on life.

The young people in his novels, when berated by their elders for various misdeeds, constantly cry out, "But you don't understand me. None of you understand me."

Ishihara's sympathetic understood has made him a top literary celebrity and self-appointed spokesman for the beat generation of the East.

His success has gone hand in hand with the breakdown of old family ties and traditions in postwar Japan, particularly the younger generation's rebellion against ancestor worship and the veneration of elders.

Critics also see in Ishihara's novels a stinging streak of anti-feminism. The girls frequently play the villain's role, ending up kicking the hero when he is down or allying themselves with the elders to vanquish him.

Like Byron—and Mickey Spillane—Ishihara awoke one day to find himself famous.

Respectful of Elders

Ishihara's father—a prosperous shipping executive—just before he died eight years ago, admonished Shintaro: "Give up your literary ambitions. Become a steady office worker and support your mother and brother."

More respectful of his elders than characters he was to create later, Shintaro obeyed. He enrolled in Hitotsubashi University, which specializes in turning out business executives.

He quickly became one of the university's outstanding students, a star soccer player, a highly accomplished oil painter and a nidan (black belt) in judo.

Then, in 1955, he wrote a short novel, "Taiyo No Kisetsu" (The Sun's Season) for the student magazine.

In six months, the book depicting sex orgies among middle class juveniles, sold 250,000 copies. It kicked up a storm of protest from Japanese mothers.
